709/710OC	6

Concurrency

Each group of competitions will run concurrently. Competitions will run in the order listed for each round. Each round will be completed for all concurrent competitions before the next round will begin

Round Order

All competitions will compete their soft shoe round first, followed by the hard shoe round, and finishing with the set round.

Music

Music competitions will be held around 10:45AM and will be followed by a lunch break. The exact time will be posted online and announced in all rooms. The exact time may vary depending on when stages break for lunch.

Awards

Awards times will be listed in the cafeteria near the podium.

No Stage Conflicts

All stages will complete a dance before moving onto the next dance. For example: All Reels will be completed across all stages before Light Jig begins. This ensures there will be no stage conflicts and that dancers have plenty of time to rest and move to their next stage.

Soda Bread Competitions

All soda bread entries should be dropped off at tabulation prior to lunch.
